Dear Mr. Thomas,

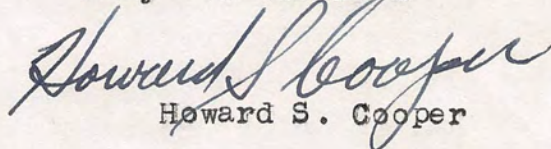

We were all very happy to receive your report on our special Broadcast the morning of 7/18/42.

We broadcast special frequency checks the 1st and 3rd Monday of every Month and we would be very happy to have you listen 1 A M whenever you can.

Claude Harris , Chief Eng. is taking a vaction this week in Northern Michigan and so I am pecking this out for him. This week we had a new Eng. come to work for us from W L B C in Muncie Ind. which makes our eng. staff 4 now. The week befor we lost Sam Harris control and remote eng. to W I S H in Indpls.

Well here is for good listening and thanks a gain.
