Dear Sir;

This is to verify your reception of WKQV 1550 on February 20, 1967. Results have been amazing and gratifying. Didn't dream our little 250 Watts could reach out so far. I think you have been the only report so far, from Florida. Have received reports from as far as California and Ontario. Thanks for writing... if I ever get down Florida way will try to look you up. Have good friends that live in Sarasota that I hope to visit one of these days.

Sorry it took so long in answering your report... but we have had one of the regular fellows off with the mumps for a couple of weeks. So I had to fill in his board shift .. then trying to sell ..write copy plus a dozen other details . Thought those two weeks would never get over with.

Thanks for writing.

Sincerely,

Earl A. Engle, Mgr.
