Dear Sir:

This will confirm your reception of W M R I between  
3:10 and 4:00 am est on January 24th, 1956.

We seem to get exceptional coverage with 250 Watts.  
We use a directional array protection Toronto, Canada and  
Henderson Ky. We have had reports from Duluth Minnesota  
and Rochester N. Y. on our F. M.

Thanks for the report.

Sincerely yours,

Lloyd V. Smith, Chief Eng.
