

KAKE

R A D I O

WICHITA'S FIRST 24-HOUR RADIO STATION

Feb. 6, 1956

Dear David;

This is a confirmation of your reception of Radio Station KAKE, Wichita, Kansas on the Morning of January 24th. 1956.

Thank you very much for your complete report.

Kake operated on 1240 Kcs. with a power of 250 watts. The tower is a 350' Guyed Windcharger. The equipment is all RCA.

We operate 24 hours a day except Monday mornings from 0100 to 0500 at which time we perform a regular maintenance schedule.

Sincerely

Gene Courtney, Ch. Engr.
