Dear Sir:

Thank you for your reception report of January 11, 1954. Your report is hereby verified as it agrees with our station logs.

Response has been gratifying on the special program. To date we have received better than 50 reports from 16 state nad Canada.

Radio station KBTO began regularly scheduled programs on November 16, 1953 at twelve noon. KBTO maintains a daytime schedule of operation at sign off, but take the air at 0600 each morning by special permission of the FCC, KBTO is the only broadcast station in El Dorado at the present time.

Our transmitter is a Gates 500-GY with a 170 foot vertical tower directly coupled and series fed. We are using the Gates RCM-12 system of remote control and a Gates SA-40 console in the control room.

El Dorado is a town of approximately twelve thousand population, and is located in the Walnut River Valley 35 miles east and north of Wichita, Kansas.

Again thanks for the reception report and we will be looking forward to receiving your reports in the future.

Sincerely yours,

Jay H. Williams
