Mr. David F. Thomas
Radio Station WUMS
Proctorville, Ohio

Dear Mr. Thomas:

This is a late acknowledgement to your interesting letter of January 9, but it expresses its sincere thanks for your interest in writing to us. We feel that you are an old friend of KFKU and wish it were possible to be heard more frequently in your part of the country.

I am enclosing a copy of the KFKU schedule for the month of February and a varification card for the KFKU anniversary program which you heard on the night of January 8.

You may be interested to know that the man who signed your letter in 1925, John Patt by name, is now manager of station WGAR, Cleveland.

I have been with KFKU for five years and previous to that I spent seven years teaching in the state of West Virginia and know Huntington quite well. So, you see, your letter was like hearing from an old friend of KFKU and from West Virginia.

Sincerely yours,

Mildred J. Seaman
