Dear Mr. Thomas:

This is a verification of your reception of our station. The statements which you quoted as having heard on our program were correct.

We are always glad to get our listeners' comments on our programs as it is only through these reports that we are able to check the quality of our programs and transmitting qualities of our station.

Under separate cover we are sending you a copy of our radio program for November which will inform you of our present radio schedule.

Very truly yours,

L. L. Longsdorf
