Mr. David F. Thomas
Proctorville, Ohio

Dear Mr. Thomas:

Many thanks for your report on our signal while you were traveling in this area on U.S. Route #62. It is gratifying to know too that you are able to receive us in Proctorville even tho it is "garbled" as a result of interference on the same channel.

This letter is your confirmation of reception of our station on June 28th, 1953.

Kindest personal regards,

Evers Mick

Evers Mick,
