Dear David:

I am pleased to verify your reception of WHBN on December 2, 1974, from 3:00 A.M. until 3:30 A.M. (E.S.T.).

We have received 35 reception reports concerning the test broadcast and about half of them logged the "Kentucky's Oldest City" ID. One thought I said "Golden".

"Dixie" wasn't too well represented in the reports. Yes, I did get another report from Florida. It was from James Haggan in Palm Bay. I also got one from Atlanta. Most were from New England and the Midwest. Farthest distance was Seattle, Washington.

I'm sure you enjoyed your visit to Harrodsburg when you were here.

Sincerely,

Tom Devine
Chief Engineer
