Dear Mr. Thomas:

Thank you for your report of reception of our signals on November 1, 1965. Your report has been checked and found to be quite accurate. I am pleased to verify it for you.

A tip for you---on Thanksgiving morning, November 25th, I plan to conduct proof-of-performance tests at WPKY in Frankfort, Ky. (1490) probably beginning around 12:30 AM EST. There is some possibility that I'll do it on the morning of the 24th. We will identify every 30 minutes, on the hour and half hour.
