Proctorville, Ohio

Dear Mr. Thomas:

This is to verify your report concerning reception of our equipment test on February 25th. Your report is correct in every way.

Our station operates on 1320 KC with 1000 watts daytime only. We have all Gates equipment and use a 200 ft. guyed tower.

Thank you for your report.

Sincerely,
WEST KENTUCKY BROADCASTING CO.

Kenneth Z. Turner, Station Mgr.
