Mr. David F. Thomas
Radio W U M S
Proctorville, Ohio

Dear Sir:

The report from your listening post was very much appreciated, and at the same time very informayive. This report shows very clearly that my small effort was rewarding, since your report confirms with my log exactly.

You might be interested to know that my rig is a BC-1F GATES Job, which is a 1kw transmitter. Our tower is 265 ft. in height and is series fed. We are located in a town of 8,000 population, and have been in operation for almost four years. Again let me express my appreciation for you report, and wish you the very best during the coming year.

Powerfully Yours,

Earl Johnson, Chief
