Mr. David F. Thomas
Proctorville, Ohio.

Dear Mr. Thomas:

We are happy to verify your report of reception on October 1st, 1950 from our Station. Thanks very much for the information supplied on your card, and hope you success in adding to your list of Station verifications.

Under "interference", you report the following; "CBE sure covered you here, later Mexican QRM, Deep fading due to QRM, CBE and XENT." We would appreciate you advising if you are sure XENT was on at the time reported and if you do not remember will you please make an effort to receive these stations at your earliest convenience and let us know if you do hear XENT again.

Thanking you, wish to remain

Sincerely yours,
