Dear Sir.

We are pleased to verify your reception of KRUS on February 18th 1948. 2:30 - 4:00 a.m. CST. Your report has been checked with our program and operating logs and found to be correct.

Our equipment is Collins throughout. We are located two miles West of Ruston on Highway 80. We use a hundred and seventy five foot vertical radiator, series fed, with a ground system consisting of 120 radials each 175 feet long.

Sincerely Your's.

Henry Shean
