Mr. David F. Thomas

Dear Mr. Thomas:

Your card containing reports on our OCT frequency check transmissions received and we are pleased to verify your reception of this station.

The signal strength reports were helpful and very much appreciated. Hope that you will be among our listeners on the next frequency check program as your card will be answered at that time. Also interesting information concerning special DX listeners broadcasts twice each month. I-3 AM CST.

Hoping that I may have the pleasure of your visit to this station and to the city of Baton Rouge in February.

Cordially yours,

*Wilbur T. Golson*
