Dear Mr. Thomas:

This is to acknowledge receipt of your reception report of our special DX Test Broadcast on December 15, 1948, from 2:40 to 4:25 AM E.S.T.

The musical selections you listed on your report are the same as those in the Program Log for the period of 3:28 to 3:40 AM E.S.T., and I consider this more than ample for verification, therefore, I am very happy to verify your report.

As you assumed, yours was the most unique report on this broadcast, and you were right about the states, for, although I received several others from Ohio, yours was the only one from West Virginia. In all, I received thirty-five reports from thirteen states and Canada.

Thank you for your nice letter.

Yours truly,

Paul A. Hurd,
Chief Engineer
