Proctorville, Ohio.

Re: National Radio Club DX Program

Dear Sir;

Your report on the special DX program from WMOO is correct in part.

At 4:07 we did transmit tone and at 4:17 a band recording WAS played entitled "The National Spirit March", followed at 4:20 by station ID.

Realizing the crowded condition of the 1490 frequency and our limited power of but 100 watts we believe that you did well to catch what you did.

We are pleased to verify that WMOO was heard by you on the 21st day of January 1957 between 4:07 and 4:20 a.m. EST.

Radiocordially yours,

Peter Baghdasarian, C.E.
Radio Station W M O O.
