

CFAR FLIN FLON

MANITOBA'S THIRD LARGEST CENTRE

590KCS 1000 WATTS

April 16, 1951.

Mr. David F. Thomas,
Proctorville, Ohio.

I feel highly embarrassed, Mr. Thomas.....

to inform you that the DX program did not go on our station
March 23rd.

I, as Manager, decided to do the program myself, so that it
would not be necessary to bring our staff back at a late hour
of the night. It is quite embarrassing to inform you that the
matter completely slipped my mind until receipt of your letter.

However, I wish to assure you that this is the first time that
this station has slipped up on such a matter, and we sincerely
regret that we did so. If we can assist you again in any other
matter, kindly let us know.

Kindest regards from the new Canada.

Sincerely,

C. H. Witney

C. H. Witney,
