Mr. David F. Thomas,

U.S.A.

Dear Mr. Thomas:

We wish to thank you for your report on reception of our D.X. program of February 11th, 1950.

Realizing how congested our frequency is, we feel you did an excellent job of picking us out of the QRM, inasmuch as we are still only running 250 watts output.

As we have no official verification cards, we hope this will be satisfactory to you in its place.

Very truly yours,
