Dear Mr. Thomas:

Thank you very much for your card reporting your reception of WCAO on October 13, from 1:30 to 2:30 a.m., E.W.T.

Your reception checks with our radio log. You were listening to a program of transcribed music scheduled on our all-night watch. The musical selections mentioned by you were included in the broadcast.

Your comments are appreciated, and we hope you will find it possible to tune in WCAO quite frequently in the future.

Cordially,

*Edeytha M. Fox*
