Dear Mr. Thomas:

We want to acknowledge and thank you for your card, advising that you tuned in WCAO on February 14th, between 6:10 and 7:00 PM, E.S.T., when you heard the first part of a musical program from the Hotel Penn in Philadelphia, and then followed by a program of music from New York, played by Frank Daiky and his orchestra.

Your reception has been verified. We were broadcasting the music furnished by Vincent Travers' Orchestra from 6:15 to 6:30 PM, and then Frank Dailey's Orchestra from 6:30 to 6:45 PM. During the station break at 6:45 PM, our own announcer made the announcement about paying taxes.

You may be sure we appreciate your interest and we trust you will find it possible to tune in WCAO again in the near future.

Very truly yours,

E. Mr. Fox
