Dear Dave:

Just a note to verify your reception of WUOK/1270 on February 20, 1973 as mentioned in your letter. We have to be the only station in the world signing off at such an ungodly hour. I am glad to hear that we are being heard SOMEWHERE anyway. Enclosed you'll find our coverage map and current playlist which may help somewhat in determining where we are "at."

If you hear from us again, we'd like to hear from you.

Regards:

Gary Kirtley
