Longwave Listening Post
Radio W.U.M.S.
Proctorville, Ohio
Dear Sir,

Please forgive, for not answering former reports, but I have been chief for only a short time, and all old correspondence has been lost.

Kindly consider this letter a verification that you did hear our station on November 30, 1952. Your very good report checked with our station log for that day.

Many thanks for writing to let us know that you are listening. Regarding a silent period, yes we do have a silent period, this being from 12:30 A.M. on Monday mornings to 6:00A.M. on the same Monday morning. We shut down for these five hours every Monday morning for maintainence. Hope to hear from you again.

Very sincerely,

Joseph R. Sporney
Chief Engineer
Radio Station W-W-I-N
