Dear Mr. Thomas:

Thank you for your letter of May 20, 1958. In reference to your DX program on December 9, 1957, I thought we had answered all the mail but I see now that we did not contact all our friends so please excuse the oversight. This letter will confirm your reception of WFS¹ on December 9. It was my pleasure to have been able to run this DX test and we currently are in the process of setting up another. Since the last test, we have jumped the power to 5000 watts and cover approximately one-third of the State of Maine.

If at any time you come to northern Maine, it will be our pleasure to show you our operation.

Thank you for your interest in WFS¹.

Sincerely,

NORTHERN BROADCASTING CO.

Elby Stevens
Vice President and
General Manager
