Dear Mr. Thomas:

This will verify your reception of WLBZ on
March 25, 1946 at 5:00 A.M. EST.

WLBZ operates directional during nighttime
hours, and non-directional during the daytime.
Our power is 5000 watts both day and night. We
sign on every day at 6:00 A.M. We run frequency
check for RCA the second Sunday in each month
from 7:45-8:00 A.M. We verify all reports of
reception one hundred per cent.

Very truly yours,
