Mr. David F. Thomas
Proctorville, Ohio

Dear Mr. Thomas:

Thank you for your report of receiving WATT's special DX broadcast on November 23, 1953. It is with pleasure that I send you this letter verifying your reception of WATT's signal in Proctorville.

Each of the reports we received mentioned some QRM from WEDC, Chicago. You were having more interference than average, however.

This stations has a regular frequency check on the fourth Monday morning of each month. If you ever hear WATT on the air again, please write won't you?

Again thank you, Mr. Thomas, for your report of reception in Proctorville, Ohio.
