Dear Mr. Thomas;

I was grateful to hear from you and thanks for listening on Monday Jan. 28, 1963.

In your letter you asked what my test transmission consisted of. It contained 6 voice transmissions only- no music or other types of modulation.

As of this date I have received notices from Rhode Island, New York, Chicago, Ohio, Brooklin, .Pennsylvania. I hope that I will get some from other countries.

Again I am very grateful to you and the National Radio Club.

Greatfully Yours

Michael Schweder
