

February 13, 1956

Mr. David F. Thomas
Radio W.U.M.S.
Proctorville, Ohio

Dear Sir,

The purpose of this letter is to verify your report of reception of our station on the special DX program on Monday February 13, 1956.

Your report was partially right. I suspect the QRM was Quite heavy. I didn't have any visitor. The program was taped but the announcer who taped it goofed it up and I had to jump into the breach with a fist full of the nearest records and little announcing ability. Guess it turned out OK though as I have 26 reports so far.

Thanks for the report and the best of luck in future DXing.

Sincerely,

Richard F. Deitz
