Dear Sir:

We are pleased to advise you in answer to your card dated October 20 that this station was on the air at 3 to 4 A.M. Eastern Standard Time on the morning of October 20. We did, as you state, sign off at a few minutes past four until nine o'clock. We operate on 1370 kilocycles and the information on your card leads us to believe that you, unquestionably, heard us.

We seldom have DX programs but would be pleased to advise you in advance our next program of this type that you may, if you wish, tune in.

Thanking you for your report, we are,

Yours very truly
