Dear Mr. Thomas:

Enjoyed reading your very thorough report concerning DX reception on WIBM on October 29th. A careful check with the programming department shows that "Rock Around the Clock" was not aired on the night of your reception. However, "Rock the Joint" which, I have been informed, sounds very much the same. It was used as a theme song through out the early morning.

I can very definitely state that we were on the air at the time of your report and in all probability our verification is due you.

WIBM has been operating "Full time" since November of 1954. We are, however, off the air from 12:00 midnight until 6:00 AM each Monday morning.

Thank you for your interest.

Truly yours,

Paul Wolfcale
Chief Engineer
