Dear Mr. Thomas:

Thank you very much for informing us that you received the test signal of WMRP, Flint, Michigan, operating on an assigned frequency of 1510 kilocycles. We are continuing our tests through November 6.

By means of this letter, we wish to verify your reception.

Station WMRP will begin daytime operation on Monday, November 11, at 7:30 A.M. We would very much appreciate any information from you on whether or not you receive our daytime signal.

Sincerely yours,

Homer Blumerich
