Dear Mr. Thomas:

Your report of reception of KGDE between 0230-0300 CST, October 19, 1952 agrees with station logs and is hereby verified.

KGDE was operating on 1250 kilocycles radiating 1,000 watts from 250' vertical tower.

Twenty years ago KGDE probably was using 100 watts and flat-top T type antenna.

Yours truly,

Harold E. Allen
