Longwave Listening Post  
Radio WUMS  
Proctorville, Ohio

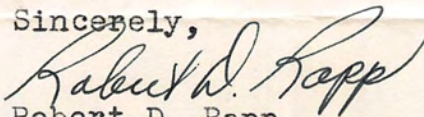

Dear Sir:

This is to verify your reception report of this station on the morning of March 3, 1956, while special program and equipment tests were in progress from 2:00 to 4:00 CST.

Sorry you found so much interference and couldn't get your wife to listen. Stephens college is pretty much the same but they're overflowing with students and I understand they've had to cut back somewhat.

Thanks for the fine report and many more happy hours of DXing to you..

Sincerely,

  
Robert D. Rapp
