Dear Dave,

This confirms that KGMO was on the air at 12:20 A.M.  
CST for a 15 minute frequency test.

KGMO is a 250 watt daytimer using a Gates BC250GY  
transmitter.

The next time that you happen to be in this area  
be sure and drop in--always glad to see you.

Sincerely,

W.R. Withers, Jr.
