Dear Mr. Thomas:

Thank you for reporting reception of K L R S.
Sorry I haven't had time to send verification of
your reception of our station before now.

According to the Transmitter logs the construct-
ion engineer was conducting equipment tests on the
night and times (Nov. 6, 1954 - 1:00 to 2:00 A. M.
CST) you reported reception of K L R S. No record
was kept of announcements made.

Hope this letter will serve as verification of
your reception of our station.

Sincerely,

Nelson Wheeler
Chief Engineer
