Mr. David F. Thomas  
Proctorville, Ohio

Dear Mr. Thomas:

We thank you for your card sent in on the Stevens Hat Contest which was held on New Year's Eve.

We regret that you were not the winner, as we wish that we could send a hat to each of the many hundreds who wrote in.

The party who was given the hat was Mr. Homer Morton of Doty, Washington, which point the Stevens Hat Company determined to be the greatest distance from St. Joseph.

Thank you again for writing and we would like to invite you to keep tuned to the 1550 spot on your radio dial every night for good listening and also other contests which we will hold from time to time.

Sincerely,

*Bill Whitlock*
