Dear Mr. Thomas:

This is to confirm the fact that the broadcast you heard on the 19th of December (Time - 7:00 - 7:40 AM) was correct.

We are pleased to know that the reception was so good despite interference of WJZ. We are always glad to hear such reports and hope that you will again "check" and let us hear the results.

Best wishes for a happy, healthy and prosperous New Year.

Yours very truly
