Dear Mr. Thomas:

This letter will acknowledge your reception report to Radio Station WABG heard on Saturday, June 27, 1953 from 1:30 to 3:00 pm.

WABG enjoys very good reception throughout the entire Mississippi Delta and to the East and South West of Greenwood where the hill section of Mississippi begins. For your further information may I state that WABG is equipped throughout with Collins Radio Equipment installed new in 1951.

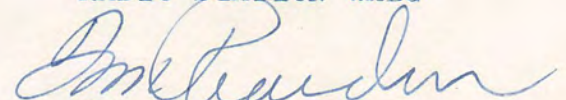

The F M question is a very good one, and I wish I had the answer.

I might suggest further that effective November 1st, your attempt to monitor this station as sign-on for WABG will be 5 am. If my memory serves me correct this will be 4 am your time.

Thanking you for your reception report, I remain,

Sincerely,

RADIO STATION WABG

Tom Reardon, Mgr.
