Dear Sir:

Thanks for listening to our DX program on Monday morning, March 6, 1961. According to your report, you logged us from 3:17 to 3:34 E.S.T. on that morning, and this letter will serve to verify your report.

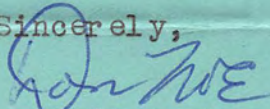

We apparently picked a rotten morning for our program. Seems there was QRN and QRM all over the place.

Beside your fine report, we have, so far, received reports from Ill, Ind., and one other in Ohio. Not too much, I'm afraid, but considering everything, I guess it's not as bad as **it** could have been.

Fran Nittler didn't call us that morning, so apparently he was unable to pick us up.

Thanks again for listening,

Sincerely,

Donald R. Noe
