Dear Sir:

Thank you for your letter and comments concerning hearing KDBM. It was know doubt our station you heard on the 4th of February, but it was not us heard on the 25th. Conditions here were also fairly stomy. We did test the 25th, but conditions from all reports were unfavorable to carry far.

Thank you for your interest and here's wishing you the best of luck in your DXing.

Sincerely

Burt H. Oliphant
