Dear Mr. Thomas:

Thank you for your card. Yes, we were on the air with the special DX program. However reception reports were received only from Nebraska, Iowa, Oregon and California and all reports indicated strong interference from other stations on 1230 KC/s either testing or on the air with all nite programs.

Our regular F/C is held the third Friday of each month at 2:45 to 3:00 AM MST using 1500 cycle tone with station break every five minutes.

Sincerely,

DAVID L. SATHER
