Sir or Madam,

I have the honour to thank you for your letter of the 27th Feb. 1938 reporting reception of our Broadcast Station, ZNS, and have much pleasure in informing you that your report is verified by our station log. The following are the particulars of the Station which may be of interest to circulate amongst your friends:

Name of Station:	Nassau Bahamas/ZNS
Position of Station:	Island of New Providence, 77° 22' 30'' W. 25° 05' 00'' N.
Call Sign:	ZNS (Pronounced Zed En Ess)
Power:	400 Watts.
Frequency: (Wave Length)	540 Kc./sec. (556 metres approx.)
Present hours of working	1330 to 1345 EST and 2000 to 2100 EST. 2230 to 2300 during the winter season

2. The following items may be used for identification purposes. Opening signal, St. Margaret's Chimes, London, Relay of Big Ben and Westminster Chimes, London, when available, at 2000 and 2100. Signature tune, God Save the King. The Station frequently presents relays of Daventry, England.

3. The Station would be glad to have further reports from time to time regarding the reception and any other matter which you may consider to be of interest or importance in the operation of the Station.

I have the honour to be,

Sir or Madam,

Your obedient servant,

K. P. Brown.

Secretary of Broadcasting.
