Dear Mr. Thomas,

Thank you very much for your letter of 13th November reporting good reception of Radio Cayman's new 10,000 watt transmitter on 1555 kHz.

We congratulate you on this good reception and should tell you that Radio Cayman is not Formally Opened, but we are testing for the next few weeks.

We do not issue QSL cards at present, but hope you will accept this letter as verification of your reception with our good wishes.

We hope you will continue to listen and enjoy programmes from Radio Cayman and that we may have the pleasure of hearing from you again.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "R. G. Dunlop".
