

6KW-TUINUCU, CUBA.

58078

Dear Radio Listener:

Thank you for your letter of recent date, advising the reception of our radiophone station 6KW.

Your report corresponds with our transmission of that date. 6KW uses 100 watts normally, but sometimes on tests uses more power. Musical programs are regularly broadcast Fridays, Saturdays, Sundays and Mondays at 12 P. M. midnight U. S. S. E. T.

Tuinucú is located in the center of the Island of Cuba near Zaza del Medio. Our Wave Length is 332 meters.

Ekko stamps are furnished to those remitting a dime,

Yours truly,

FRANK H. JONES,

TUINUCÚ, CUBA.

Slogan: "If you hear the coo of the cuckoo, you are in tune with Tuinucú"
