Radio Station WUMS.  
Proctorville. Ohio. USA.

Dear Sir:

I give thanks to yours confirmed at our special transmission to dedicated The National Radio Club's Members.

I am sorry veri much, you could not hearing our signal us rights us we beleived.

We are transmitting withs 1,000 watts, directional Antena. I can't undertand how another Cuban's station interfered our signal. This Station it's hearing with very good signal in our countré, and no other ones Station trasmiting in our 810 klcs.

However, yours report is right, and I confirmo yours reporte.

Many thanks again.

Yours very truly,

  
René Romero López.
