Gentlemen:

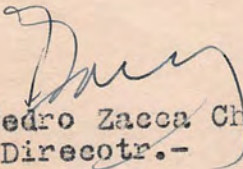

Dated February 16th we have received a letter from you reporting our DX program from that date.- Thanks you in advance for such a kindness.-

We have received many reports from the States and almost of them tell that interference of the WSMB.- They ends at 3 a.m, and in accordance with it we are going to put next DX latter.- For instance from 3 to 5.30 or 4 a.m. next April 6th, it will be the last one in this series of DX programas we doing by now.-

Our equipment is one of 250 watts, with an "L" type antennae N-S, at a sea level of 90' and as long as 70 meters.- We are located at the northeast of la Provincia de Oriente .- Our normal schedule is from 9 to 11.30 a.m. and 5.30 to 10 p.m. daily.- If you are able to tune us in that time, please report it to us.-

Though we are not stamp collector we have some friends who likes it. Thank you.-

Well we hope this will be a good verification letter to you and hope too you'll be able to tune us again in April 6th.- on long and the best of luck to you and your family

  
Pedro Zacca Cheda.-
