Dear Sir,

Thank you for your letter of May 31st reporting on our signal heard during your recent Caribbean Tour.

Reports such as yours are gratefully received.

I used to be on the Amateur bands many years ago, but since 1960 I haven't had much time. My call is VP2KO, but I understood that a "pirate" is using my call these days.

Yours faithfully,

.....  
E. Karney Osborne  
Manager.
