Dear Mr. Thomas:

I vividly recall your visit to the radio station in May, 1966 and regret that I had never got around to writing you to confirm your reception of ZBVI in 1966 on Monday mornings, as you described, but you know how rushed we are.

This will confirm your reception of Radio Station ZBVI in early 1966 between the hours of 5 and 5:30 AM EST.

We have not printed any QSL cards and probably will not do so.

We hope that you will come our way again some day. It's a nice, happy life, even though terribly busy for us.

Sincerely yours,

(Mrs.) Nellie Greer
