Dear Mr. Thomas:

This is to verify and thank you for your informative report of reception of our station 14 Jan 1951 0655 to 0700 EST.

Reports of reception are welcome here at WBRM. Some are of value and some are not, but all are of interest and appreciated. Since this channel is loaded with 5 kw stations, ordinary reception is near impossible after they get on the air.

Again thanking you and wishing you good DX, I remain.
