Dear DXer:

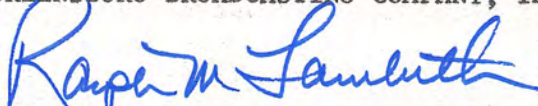

Thank you for tuning in to our special DX Program  
Monday morning, April 26th at 2 a.m. E.D.T.

This is to verify that you were listening to WGBG  
and the phrases and music selections named are ours:  
(Dave, we changed from 980 to 1400 in order to get  
night-time, which we could not do at the time on  
any other frequency...incidentally, we operated at  
250 watts all during the test).

Thanks for listening!

Sincerely,

GREENSBORO BROADCASTING COMPANY, INC.

P.S. Yours was the only Fla. report received.
